

British Chihuahua Club Breed Open Show Smooth Coats

Saturday 2nd May 2026

It was a great honour and a privilege to be asked to judge the British Chihuahua Club Breed Show at the Tomlinson Centre. I would like to thank the Committee and Show Secretary in organising a friendly, well-run and well executed show. Thank you to my stewards for keeping the ring flowing smoothly. And a heartfelt thank you to all exhibitors for allowing me the great privilege of judging their smooth coat Chihuahuas.

It is usual in these preambles to have a breed specific aside, and it was good to see that mouths were, on the whole, correct. Eyes were large and non-protruding. Construction as well in this cohort was nicely angulated front and rear, credit to the breeders here today.

Class 1	S/C Baby Puppy Dog.	1	Abs 0
1 st	<u>Halls' Jorazan Kairos Kooky Sox</u> Fawn baby boy who moved well around the ring. Excellent for construction especially rear angulation. Breed typical ear set and apple dome. Dark eye, with good length of muzzle and saucy expression. Nice for size. Good for pigment. Correct tail set and carriage and firm level back. Promising baby.		

Class 2	S/C Minor Puppy Dog.	4	Abs 1

Another baby with apple dome and correct ear set, muzzle moderately short with definite stop and large round eyes. Correct bite and dentition. Moved with drive. Hard to ignore him and should have a promising career. BPD, RBOB, BPIB, RBPIS		
2 nd	<u>Rooney's Yorone Too Cool For School</u> Another well balanced 7-month old Red puppy. Finer all over than 1. Just need time to fill out and mature to show off his lovely attributes. Similar to 1 for construction and type.

Class 4	Junior Dog	1	Abs 0
1 st	<u>Rooney & Holland-Smith's Stareylon Nick Rockett</u> 13-month-old Red Male who is nicely constructed throughout, with good front and rear angulation. Moved briskly with purpose and drive. Lovely shape and outline as a result of his compact body, deep chest and ample brisket for his age. Well rounded apple dome skull, definite stop, round eyes and ample muzzle to complete the picture. Correct bite and dentition. Correct tail set and carriage and kept a level top line on the move.		

Class 5	Novice Dog	3	Abs 0 W/D 1
